2011 Dedication

Kay Louise Hall Lovelace Palombo was born in Fayetteville, North Carolina to Adolph and Mary Lillian Hall in 1959. Because her father was a sergeant in the US Army and a Field medic, she was raised an Army brat. When she was just a child, her family moved to Kiln, Mississippi where she was educated until she graduated with highest honors from Hancock North Central in 1977. She was near the top of her graduating class and received various scholarships including the Beta Club Scholarship to fund her education first at Pearl River Community College (class of 1979) and then at the University of Southern Mississippi where she graduated with high honors Bachelor's Degree in English in1981. Upon graduating from college Kay was hired as a language arts, reading, and physical education teacher at Charles B. Murphy Elementary School in Pearlington, MS where she taught for one year. After that, she began teaching at Hancock North Central where she taught 8th-12th grade English in 1990. She later earned her Master's degree in English from the University of Southern Mississippi. Additionally, she coached varsity cheerleading for over 20 years through which she was awarded Mississippi's Coach of the Year and has sponsored Beta Club for over 12 years. In recent years, she began sponsoring HHS Student Council and founded the National English Honor Society at Hancock High School. In 2002, Kay became National Board Certified by the National Board for Professional Teaching Standards, and this certification was renewed in 2010. She has been selected STAR teacher 3 times and has been awarded Teacher of the Year twice. Kay is the mother of one daughter, Amanda Lovelace, and has been married to her wonderful husband Michael for six years.

Kay Palombo

Momma,

There are a few things that I am really proud of in my life, and one of those things is that I am proud to be your daughter. I think you are the most amazing woman that I have ever known, and I could not have a more perfect role model. You have taught me the meaning of strength in your every action, in every piece of advice you have ever given me. I am also proud to be your colleague. Teaching next door to you has taught so much about what makes a good teacher because I see that in your classroom everyday. Finally, I am proud to have been your student. My English III and English IV notebooks still sit in the shelves behind my desk everyday as a reminder of everything that I was taught i high school, and they give me the goal to leave the kind of impact on my students that you left on me and my class mates. I love you THIS MUCH! Thank you for being the best mother in the world. I would not be who I am without you. -Mandy

Class of 2012,

We are almost there. Just one more year and we will be walking up to the podium to get our diplomas. It hasn't been easy though. As a class we have been through a lot, but we haven't let anything get in our way. If we just keep our heads up and stick together, nothing can hold us back. So keep up the good work, because next year is our year. Next year is the year the world will see just how great the Class of 2012 really is.

Sincerly,
Buster

Class of 2013

Class of 2013,

This past year has been great! We truly believe we have become a closer and more involved class. Throughout this year we have shown who we are. We made the other three classes realize we aren't blending in; we are fighting to stand out. It's hard being a sophomore; we aren't freshies or upperclassmen. But we didn't wait for the opportunity to find us. We found it! Thanks to everyone for participating and making our sophomore year one that none of us will forget. Have a great summer and be safe. Our junior year and new opportunities await us.

Thanks, Class Officers

Class of 2014

Dear Class Of 2014,

We walked on shaky knees into the gym on our first day of high school. As our first assembly came to a close, we took our schedules in hand, proceeded to class, and tried not to get lost. Pep rallies were fun, even though we didn't win. Classes were harder, but we achieved the most important goal: we passed Freshmen year! Overcoming upper classmen's critisim wasn't always easy, but we came together as a class to make Freshmen year the best it could be! Only three more years together, then its our turn to recieve our diplomas. 2014, here we come!

Thanks,
Tyler Necaise and

1st Row Left to Right: Danielle Ladner, Bailey Hoda, Shelby Sattler, Victoria Nutting, Brittany Nutting
2nd Row Left to Right: Cambria Boone, Cierra Knight, Destiny Marks, Paige Morel, Abigail Arcement, Candice Boone

In 2007, Hancock Volleyball achieved their first winning record in program history with a 12-9 record. The following year in 2008, they became the undefeated district champions and made it to state for the first time in program history and were named the South State Runners-up. In 2009, they again became the undefeated district champions. This year, however, they won the South State Championship against North West Rankin and moved on to the State Championship for the first time in school history. After rallying back from a two set deficit, the Lady Hawks forced a fifteen point deciding game but did not win the championship. The following year, after graduating three seniors, Hancock again became the undefeated District Champions and the South State Champions after knocking off Pascagoula, Hattiesburg, and Oak Grove. The Lady Hawks again found themselves in the State Championship, again matched up against the formidable Tupelo Lady Wave. This time however, Hancock found themselves up by two sets, only to fall two and force another deciding fifth match against the number one and two ranked team in the state. This time, however, the Lady Hawks prevailed by seven points to claim their state championship trophy and gold medals. Hancock volleyball finished the season with a number one ranking in the state and a 30-6 record.

Tiffany McArthur has been an active member of FBLA, Beta Club, Speech and Debate, and Quiz bowl. She is currently serving as FBLA president, Beta Club president, Speech and Debate Co-Captain, and one of the Quiz Bowl Captains. Tiffany has also participated in National Honor Society, National English Honor Society, Mu Alpha Theta, and National Technical Honor Society. In the past she has served as FBLA reporter in 11th grade, FBLA vice president in the 10th grade, and Class secretary in 9th grade. Tiffany has placed at many competitions including 1st place in Website Design at the FBLA state conference in 2008 and 1st place in Business plan at the FBLA state conference in 2010. She was also named a national qualifier in Original Oratory in 2011 and is now a member of the Mississippi State Catholic Forensics Team. She has maintained Honor roll throughout all four years of high school and achieved academic awards in Entrepreneurship and Algebra II. Tiffany plans to attend Millsaps College in the fall with an undecided major. The things she will miss most about high school are Homecoming week, FBLA coferences, Beta convention, and Speech and Debate tournaments. Her favorite memories of high school are of creative writing class, AP English IV, and sophomore year. Her advice to underclassmen is to just chill. Regardless of what some people think, high school isn't about being perfect and getting straight A's. High school is about learning, having fun with your friends, and making memories that will last a life time.

Over Brittany Nutting's four years of high school, she has maintained a place on the Superindentent's Honor Roll. She has been honored through receiving academic awards in Environmental Science, French II, Algebra II, Mississippi Studies, and Tech Discovery. She has served as French Club president, FBLA secretary, and National Honor Society secretary. She has also been a member of Beta Club, Mu Alpha Theta, Renaissance Club, and FCCLA. She has also stayed involved in sports throughout her high school career. She has completed five years of Volleyball, and as captain, helped lead the team to a volleyball state championship. She has also completed four years of track, three years of cross country, two years of basketball and one year of tennis. Throughout her years of volleyball, she has achieved many awards including Volleyball Most Valuable Player, and awards for serving and passing. She was also selected as a member of the All State, All District, and All Coast Volleyball Teams. Her future goals include attending Penn State. Some advice she would give underclassmen would be that high school is not all about the school work; it is about the experience. Her favorite memory is the school's first volleyball state championship.

While at Hancock High School, Victoria Nutting has remained on the Superintendent's Honor Roll for four consecutive years. She has served as FBLA Treasurer, National Honor Society Treasurer, Mu Alpha Theta Secretary, National English Honor Society Secretary, and FCCLA Secretary, while also being a member of the Beta Club, Renaissance club, French club, and History and Government club. She has been a member of the Tennis, Cross-Country, Basketball, Track and Field, and Volleyball teams. As volleyball captain she helped lead her team to Hancock's first ever state title and was named to the All-State, All-Coast, and All-District teams, while also being named the Mississippi Volleyball Gatorade Player of the year, the Mississippi Wendy's Heisman Winner, the All-South Volleyball Player of the year and two-time team MVP. After graduation, Victoria plans to attend Duke University or University of Texas at Austin to study Biomedical Engineering. What she will miss most about high school is volleyball, her team mates, and her friends. Victoria's favorite memories of high school are winning the 2010 Volleyball state championship and 2010 Homecoming Week. Her advice to the underclassmen is to research universities for specific requirements and track deadlines for applications and scholarships.

Hall Of Fame

Connor Ryan has been an active student in various clubs. These clubs included, National Honor Society, Beta Club, Video Production Club, and Science Club. He also has participated in Mississippi's Lions All- State Band, The Pride of Hancock Marching Band, concert band, Swim Team, soccer and jazz band. Throughout high school he has held the leadership positions of Band Section Captain, and Band Section Leader. Connor has been recognized as a National Merit Finalist, "A" honor roll for 6 semesters, academic award in Trigonometry, First chair award, Who's Who "Most Intellectual", and Who's Who "Most Involved". Connor will miss uniforms the most after graduation. Connor's favorite high school memory is physics class.

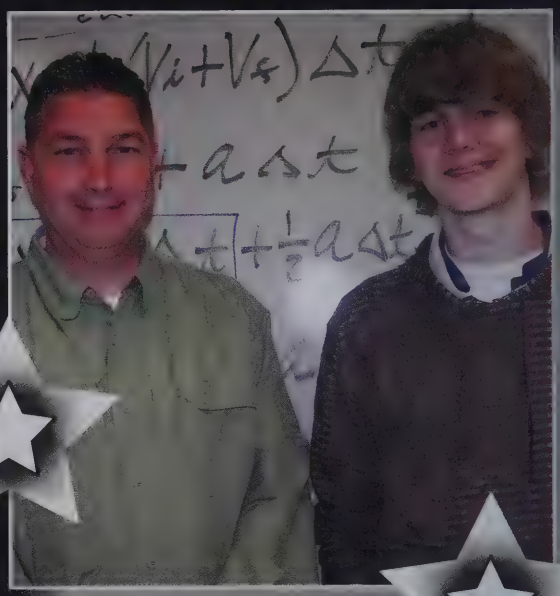

While at Hancock High School, Jorden Sprague has stayed involved in numerous clubs. Jorden's extracurricular activities include : Fellowship of Christian Athletes devotion leader, Forensics team captain, Drama Club member, International Thespian Society Honorary Thespian member, SADD member, First Priority Leader, Forensics Team Captain, Mississippi, State Forensics League member, Student Council Junior Class Representative, History and Government Club Secretary, National English Honor Society member, National Honor Society Member, Future Educators of America Member, Renaissance Club Member, Newspaper Staff Editor, National Spanish Honor Society member. Jorden has also received numerous awards throughout high school. Jorden has maintained Principal and Superintendent's Honor roll throughout high school, Academic Achievement in Environmental Science, Spanish I, English III, and Law Related Education, National Forensics League Degree of merit, National Forensics League Degree of Honor, 5th and 6th place in Original Oratory Speaking, Extraordinary Hawk Award for Yearbook Staff, Coca-Cola Student of the Month, 2010 Homecoming Court, and HHS Miss Sweetheart . After graduation she will attend a local college to begin studies in pre-med to obtain a doctorate degree in neuroscience. Jorden will most miss the welcoming atmosphere of HHS and HHS's staff. Her favorite memory of HHS includes moving Ms. Bailey's class outside with the 2008-2009 yearbook staff. Jorden's words of wisdom to other students are, never regret anything; life is too short for that. The clock only moves one way. You can't worry about the past when all that your have left is the future. Learn from your mistake and remember that one day you will be walking across that field!

Lauren Whitney has spent her four years at HHS being active and involved, both at school and out of school. She was selected to represent HHS at the HOBY leadership conference and then proceeded to go on and represent the state of MS at the international HOBY conference. Lauren also holds the titles of Miss Teen Dedeaux, Miss Dedeaux, Most Photogenic Sweetheart 2010, and Hancock Co. Junior Miss. Throughout the duration of high school she has competed in a variety of athletics such as varsity swimming, USA swimming, Cross Country, Track and Field, and dance. Also, she was active in many clubs that include National Honor Society, National Spanish Honor Society, National English Honor Society, Mu Alpha Theta, History and Government, Future Educator of America, Fellowship of Christian Athletes, Speech and Debate, News Team, Newspaper Staff, Video Production, and Aspiring Hawks Writers. While being active Lauren also served as Student Council Treasurer, Class Treasurer and Junior Class representative, Mu Alpha Theta President, Vice President, and Treasurer, and National Honor Society Vice President. Lauren plans to attend Spring Hill College and double major in Biology and Pre-med and attend medical school and ultimately pursue a career in dermatology. Lauren's advice for other students would be to enjoy your time at HHS and strive to leave a positive mark on the School. Her favorite memory of HHS is her senior year because it is a year full of accomplishments and achievements.

DeAsia,
Congratulations you made it. Follow your dreams and remember your mother loves you.
Love always, Your Mom

Ashley,
As I sat holding your mothers hand while you were born, there were tears of joy in my eyes. I have watched you from the days of walking around the coffee table to now that you are ready to graduate and start a new beginning. Just remember this new beginning is started just as you were walking around the coffee table one step at a time. Always keep your faith and trust GOD he will keep you on the right track. It is funny in life watching you born, with tears and as I am typing this, there are tears also. You have been such a blessing and joy. Keep it up and you will go far.
I love you,
Dad

Since I was blessed to be able to spend lots of time with you in your early years we formed a strong bond and lots of good memories. God could not have given me a better granddaughter. You have filled my lonely days with joy and still do. From the time you were climbing out of your baby bed before you could walk, applying your lipstick to work in the flower garden to the mature young lady you are today. I am so proud of you and what you have accomplished. We have traveled eighteen years together some times good and some not so good, but always a joy. I will always remember my little helper who was ready for anything that needed to be done, the times we have shared just talking as you become a beautiful young lady. As you graduate from one phase of your life to another take the Lord with you, he will never lead you wrong or forsake you.
With all my Love,
Grandmother

Ashley,
You're a wonderful granddaughter, if I had my choice from all the children in the world I would have chosen you, you're the answer to this grandmother's dream. We are so blessed to have you in our lives and to experience all of the phases of your life from a small baby to the beautiful intelligent, strong, compassionate young woman you have become. Having experienced all that you have gone through in your eighteen years has made you a much stronger loving individual. Follow your dreams and stay true to yourself and you will succeed in everything you do. Believe in God, believe in prayer, believe in love and believe in yourself. With commitment and hard work you can be anything you want to be.
I love you very much,
Nana

Ashley Young

Ashley,

The Bible tells us that children are gifts from God. I certainly believe that and feel so blessed that He has allowed me to be your mother. When I look at you, I am in awe at what a beautiful young lady you have turned into, inside and out. You are all the things a parent could ever want. You have brought so much happiness to me. Our life has not been without struggles or loss but you have demonstrated your faith in God through it all. I want you to know that I will always be here for you and cheering you on as you start on your next journey in life. I love you more than words can express. I love you, Mom

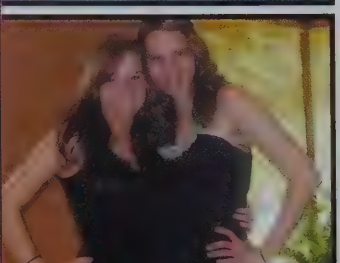

Dear Ashley,

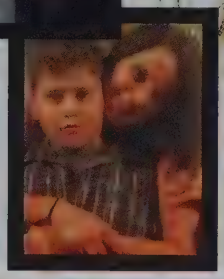

If you will- "Trust in the Lord with all thine heart and learn not unto thine own understanding. In all thy ways acknowledge God and He will direct thy paths." -Proverbs 3: 5-6

Just remember we love you so very much and are so proud of you. We will pray for you as you pursue your education and career. If you use this scripture above, God will lead you in the right way and bless you.

Love and best wishes,
Paw-Paw & Granny

Sissy,

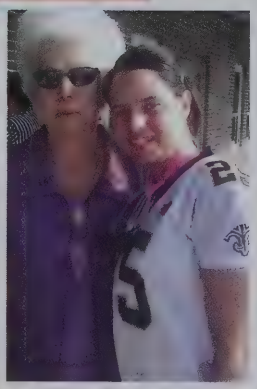

You are the best sister ever. I love you and am going to miss you when you leave for college. Good luck.

Love,
Ty

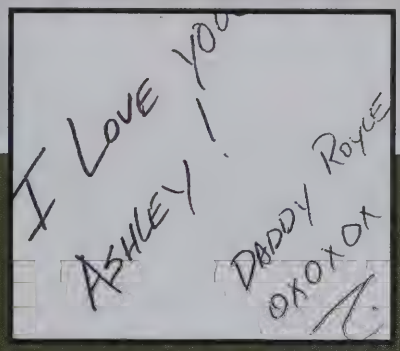

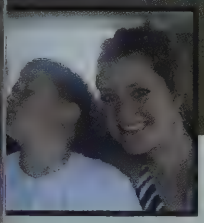

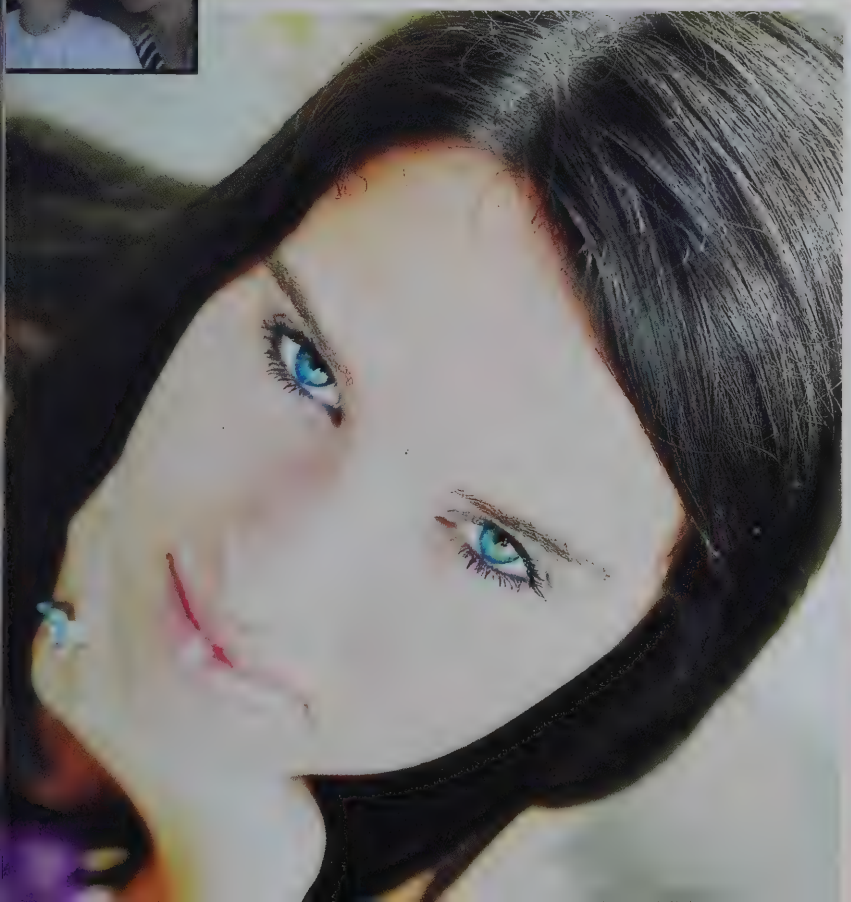

Sweetie,
I want you to know how very proud of you that I am and the person you have become. I know that I am not there in person and sometimes it doesn't seem fair. Always know that God is with you though. I am watching from up here and am with you with every breath you take. I love you and miss you. I am sending you hugs and kisses from heaven! May the memories bring smiles to your face ...until we meet again! I love you. Daddy Royce xoxo

Ashley, you came in this world jumping so keep on jumping until you get to the top.
Congratulations, Aunt Billie

Life can be great, though life can be cruel, but we must all make a choice as to where we stand. Ashley you have showed me the greatness in life and when life was cruel, you have stood there to carry me through the times of unforgettable events. You're a strong person. All the hurt you have been through has brought you where you are today, and sweetheart, life is only now starting to begin. I want to thank you for who you are. Who you are, is who you will become, and who you will become, is who you are today. I love you for who you were, and who you will later be, will still bring happiness to my heart. Congratulations you have made it through, possibly, the hardest stage in life and as long as you show love to this world as you have showed it to me, I know you will succeed, because you have had success with capturing my love. I love you, Ashley Nicole Young.
Oops!... Love, Matt

Ashley, you have come a long way and I am so proud of you. The journey you are about to start in life will be complicated at times but well worth it. We have been through so much together and I am glad to call you my best friend. Through all the struggles, tears, arguments, and laughs our friendship was never lost. Thank you for sticking beside me and being there for me and Christian as much as you are. You truly are my best friend and always will be. Christian and I love you, Ash and good luck on your new beginning.
Love always,
Kelsey & Christian

CHELSEA

It seems like it's been forever for this day to come. Now that it's here, I wish I could go back when you were a baby (those were the good ole days). I know you are growing into a beautiful young lady and still have so much to learn and with each day you'll learn it. I wish for you to be happy and live a long, happy life. If I could, I would protect you from all the bad things in this world, but I can't, so I know you'll be strong and overcome what comes your way.

There are so many people who wish they could be here for you and I know they are just as proud of you as I am. They are forever in your heart and life. When things seem to get bad, just think what would be the advice they would give to you.

Now the time has come to say goodbye to high school years and hello to college and the world as you have never known it to be. We, your family, will always be here to support you and love you.

Love you:
Mom, Pawpaw, Uncles, Aunts, and Cousins.

Matthew,

Look at you now! We are so proud of you! There are not enough words that can truly describe how much we love you and how much you mean to us. You have grown up so fast but what a compassionate, intelligent, strong Christian young man you have become. We have given you love, guidance, support, faith and morals. As you continue your journey in life we hope you take these gifts and use them to help guide you in the right direction. Keep that wonderful personality that you have now and always put God first in your life. Remember that through Him all things are possible. We will always be here for you no matter what. Matthew Reynolds

Matthew,
Where has the time gone? At lightning speed, high school seems to have come to an end. Just yesterday, you were playing in the yard; and now you are all grown up. We are so proud of you, and we love you more than words can express. You are a very thoughtful and well-mannered young man. God truly blessed us with a wonderful son that has a caring heart and spirit. As you travel through life, always believe in yourself, draw on your strengths, and follow your dreams. We know that if you put your determination to use, you will accomplish anything that you set your mind to do. As God blesses you through life, keep Him first, and you will succeed.
Love, Mom and Dad

Tip Tip

How blessed we are to have such a wonderful daughter who is now a beautiful young woman. Words can not begin to express how we feel and how proud we are of you for your accomplishments, achievements, dedication and hard work. You have given us such joyful times and precious memories. If life ahead of you gives you half the joy you have given us then you will have a life full of happiness and love. Graduation is the closing of this journey but the beginning of your future. May you hold dear to your heart the memories and friends you made during your school years. Remember to always keep your goals in sight and you can achieve anything. Always keep God first and he will guide you through the good and bad times. may all your dreams and goals come true and remember we will always be there for you no matter where you are or what you do in life.

There is inside you
All of the potential
To be whatever you want to be;
All of the energy
To do whatever you want to do.
Imagine yourself as you would like to be,
Doing what you want to do,
And each day, take one step
Towards your dream.
And though at times it may seem too Difficult to continue
Hold on to your dream.
One morning you will awake to find
That you are the person you dreamed of,
Doing what you wanted to do,
Simply because you had the courage
To believe in your potential
And to hold on to your dream.
Love you always...

A world that's full of energy and fun.
So as you reach for all life has to offer,
Remember that you're second to no one.

We cannot believe this day is already here. It seems like yesterday we were bringing you home for the very first time. Watching you grow up into a smart, honest, caring, dedicated and loving young man has been a wonderful blessing for us. Just one of our enjoyments in life has been watching you play the game you love oh so much, "Basketball". We have enjoyed every minute of it. All we ask of you is to follow your dreams, travel the world, and live your life to the fullest. Never change who you are and always be a leader not a follower. Your dad and I are so proud of you in all your accomplishments and wish you a successful career in life. Words cannot describe how much we love you and want you to be happy. We will always be here for you.

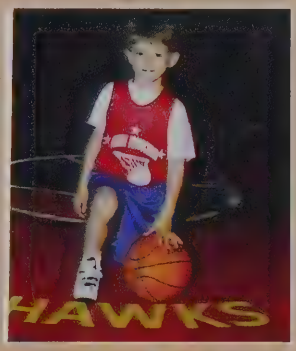

Love always,
Mom and Dad

It seems like yesterday when you were playing & laughing in our laps. You've outgrown our laps, but not our hearts. Your father & I have watched you grow from a wonderful young boy to a fine young man. There are not enough words to tell you how proud we are of you and all of your accomplishments thus far in life. What a joy, a privilege, and an honor it has been to raise you. You have been one of the bright lights in our life. We will miss but never forget those paper-filled homecoming weeks, late nights, working on projects, the "I gotta have this by tomorrow" & most of all Friday Night Lights with our Hawks! Thanks for all the memorable moments we have to take into our tomorrow's. Forget about the times you've been defeated, but don't forget the victories you've won. Forget about mistakes that you can't change now, but don't forget the lessons that you've learned. Trust in the LORD with all your heart and lean not on your own understanding; in all your ways acknowledge Him, and he will make your paths straight. Proverbs 3:5-6

You will always have our: Love, Support & a big proud heart....Daddy and Moma Jo

Although it's just a few inches since birth (ha ha) you've grown into a really smart and handsome young man. You're too smart to sit back and not make something of yourself. Mama's Boy

My little man is all grown-up. It seems like I just dropped you off at Kindergarten yesterday and today you are a senior. I did my best to teach you right from wrong, respect and how to treat a lady. Take all that I have instilled in you to make good decisions as you make your place in the world. Always remember that Gavyn listens, watches, and copies EVERYTHING you do. So be a good role model for him. You and I have a special mother-son bond and have many great memories, but one of my proudest is when you and sis were in a crowd of friends cutting each other down. She called you "a 15 year old mama's boy" and with a smile you replied "dang right I am and proud of it" No matter where life takes you or how old you get, a Mama's Boy you will always be!! (: I'm proud to call you son!

Amanda

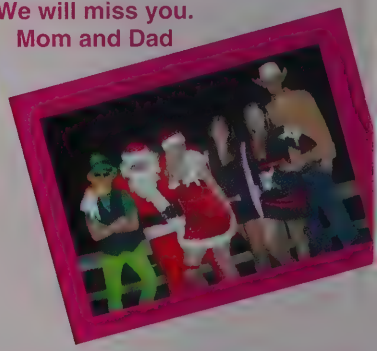

You have come so far. Seeing you all grown up and ready to move on with your life makes us so proud and sad. It is strange to think that you won't be home to steal your mom's clothes and shoes anymore. We remember when you were little and still needed help with tying your shoes. You were always trying to be independent when you were little, and now you are. We look forward to seeing you go to college and make your own footsteps in the world, but we will miss you. You have already shown us what an amazing young woman you are, and we can't wait to see you grow even more. We know with your motivation and independence you will go far. You will keep making us proud as you always have.

We will miss you.

Mom and Dad

I am so proud of you on graduating. I know you will succeed in life; just stay focused on what your goal is and stick with it. You will do great in life. Do your best in everything you do. I love you with all my heart, and I can't wait for you to succeed on your next goal. I am very proud of you, Amanda; keep your head up and stay strong.

I love you,

Cory

Tiffany

Tiffany,

You were born two months early, but that has never stopped you from achieving any goals you set forth. Now we feel you are leaving us too early. You have always been a child who has not only done what is asked of you, but more. We know with your motivation and will power you will accomplish anything you set your mind to. You have always made us proud, and there's no doubt you will continue with all your efforts. We look forward to seeing what roads you take because we know it will be the road less traveled. You will always challenge yourself and excel in anything you do. We love you and will miss you when you leave for college.

Kelsey,
As we look back on the past 18 years, we can not believe it is your high school graduation. It has been an amazing journey watching you grow into the beautiful woman that you are and we wish you the best on your plans as you close one chapter in your life and open your future. We are proud to call you our niece and godchild. You have definitely left a mark at Gulfview Elementary, Hancock Middle School, and Hancock High School. We wish you the best and pray that you are successful in everything you do. We will always stand behind you and the decisions you make and the path you choose. We are very proud of you.

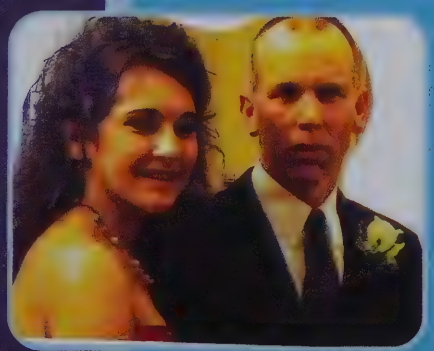

We love you, Gucci and Nanny

Congratulations Robin we love you and wish you the best in life.
